Explanatory Notes: Resolutions 10, 11, 12 & 13

Resolution 10 – Authority to allot relevant securities

Resolution 10 is proposed to renew the Directors' powers to allot shares. The Directors' existing authority, which was granted (pursuant to Article 3) at the AGM held on 24 June 2021 and will expire at the end of this year's AGM. Accordingly, paragraph (a) of resolution 10 would renew this authority by authorising the Directors to allot relevant securities up to an aggregate nominal amount equal to approximately one third of the current issued share capital of the Company.

In accordance with the Investment Association Share Capital Management Guidelines issued in July 2016, resolution 9(b) seeks to grant the Directors authority to allot ordinary shares equal to a further one third of the Company's issued share capital in connection with a rights issue in favour of ordinary shareholders.

The Directors have no present intention to exercise the authority sought under this resolution. In the event of any exercise of the authority, the Directors intend to follow the Guidelines concerning its use including as regards the Directors standing for re-election.

The authorities sought under paragraphs (a) and (b) of this resolution will expire at the conclusion of the AGM of the Company to be held in 2023, or at 6pm on 30 September 2023, whichever is sooner, unless renewed or revoked prior to such time.

Resolutions 11 and 12 – Disapplication of statutory pre-emption rights

Resolutions 11 and 12 are to approve the disapplication of pre-emption rights. The passing of these resolutions would allow the Directors to allot shares for cash and/or sell treasury shares without first having to offer such shares to existing shareholders in proportion to their existing holdings.

The authority under resolution 11 would be limited to:

(a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board considers necessary; and

(b) allotments or sales (otherwise than pursuant to (a) above) up to an aggregate nominal amount of £2,970.40, being an amount equal to approximately 5% of the current issued share capital of the Company as at 6 June 2022 (being the latest practicable date prior to the publication of this Notice).

Resolution 12 would give the Directors authority to allot a further 5% of the issued ordinary share capital of the Company as at 6 June 2022 (being the latest practicable date prior to the publication of this Notice) for the purposes of financing a transaction which the Directors determine to be an acquisition or other capital investment contemplated by the Pre-Emption Group's Statement of Principles most recently published by the Pre-Emption Group prior to the date of this Notice.

The disapplication authorities under resolutions 11 and 12 are in line with guidance set out in the Pre-Emption Group's Statement of Principles. The Pre-Emption Group's Statement of Principles allow a board to allot shares for cash otherwise than in connection with a pre-emptive offer (i) up to 5% of a company's issued share capital for use on an unrestricted basis and (ii) up to a further 5% of a company's issued share capital for use in connection with an acquisition or specified capital investment announced either contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

The authorities contained in resolutions 11 and 12 will expire at the conclusion of the AGM of the Company to be held in 2023 or at 6pm on 30 September 2023, whichever is sooner.

Resolution 13 – Authority to purchase Company’s own shares

Resolution 13 seeks to grant the Directors authority (until 30 September 2023 or, if earlier, the next AGM to be held in 2023, unless such authority is revoked or renewed prior to such time) to make market purchases of the Company’s own ordinary shares, up to a maximum of 5,940,808 ordinary shares, being an amount equal to approximately 10% of the current issued share capital of the Company. The maximum price payable would be an amount equal to 105% of the average of the middle market quotations for an ordinary share of the Company for the five business days immediately preceding the date of purchase and the minimum price would be the nominal value of the shares.

The Directors have no present intention of exercising the authority to make market purchases, however the authority provides the flexibility to allow them to do so in the future. The authority will only be exercised in circumstances where the Directors expect that such purchases will result in an improvement in earnings per share and will be in the best interests of shareholders generally.
